1 Opening

The meeting was opened by Athanasios at 08:30. Pantea was made secretary.

2 Agenda

The current agenda was approved by the board.

3 Next meeting

The next CPPC board meeting will be held on November 7th.

4 Follow-up on previous meeting

- See section 5 for a more specific follow-up on projects.

5 Project follow-up

a ISP survey

The survey has been sent and deadline has passed. 50 responses have been gathered in total and Oliver will go through the responses.

b Pizza days

The first Pizza Day event will be on 9th of October. Adriana Canales Ramus and Julia Maibach will be the speakers. Tanos and Björn will take care of food and drinks. Since there was no budget allocated to this series of events, the Budget of this event will be provided by FFF.

c Buddy system

All the new PhD students have buddies and there is no need for new buddies.

d Intro day

The next Intro Day will be on October 14th. Thanos will join the introduction meeting with Lena Falk as the representative and chair of CPPC. There will be a clean room and lab tour provided by the FFF will be follow up by dinner and activities in the evening.

6 Updates from Other meetings and events

a cocktail party from the educational committee at the Physics engineering program

Martina has been in contact with the educational committee at the Physics engineering program. The cocktail party will be on 7th of November at 17:15. And the talk will include a brief introduction on doing a PhD in Chalmers and a popular science. Pantea Dara and Ruben Seyer will present in this event.

b Department advisory board meeting

Oliver will have meeting with the advisory board on October 1st.

7 Other matters

a General Assembly

The general assembly will be on 6th of December during the lunch (12:00-13:00) in nexus. the assembly must be planned, and currently we are looking for nominees, and a chair for the General assembly.

The meeting was closed at 10:00.
